International Exhibitions in Erbil

ERBIL

Erbil is considered one of the world's most ancient settlements, it is also considered one of the most prominent commercial cities of Iraq due to its strategic location and the fact it is being KRG's (Kurdistan Regional Government) capital city. Having historical ties with Turkey, Mosul, Kirkuk, and Baghdad, Erbil is the best and easiest gateway to the 40 Million population Iraqi market.

Thanks for making it happen
